DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Emma Tartle
as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of Emma
Tartle as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Emma
Tartle is identified on the Cherokee Authenticated roll of 1880
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would then to identify the persons whose
names are included.

During the months of August, September and October, 1903,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed. No information has been obtained tending to show the status of Emma Tartle on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Emma Tartle as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

SUPPLEMENTAL STATEMENT.

An examination of the tribal rolls of citizens of the Cherokee Nation in the possession of this Commission, shows that the name of the applicant herein, Nick Thompson, is not identified of record upon any other than the roll of 1880, which enrollment is cited in the testimony and made a part of the record in this case.

It is ordered that this statement be filed with and made a part of the record in the matter of the enrollment of Nick Thompson as a citizen of the Cherokee Nation, Cherokee doubtful card 1552.

DECISION.

The record in this case shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Nick Thompson as a citizen by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, on August 15, 1902.

The evidence in this case shows that Nick Thompson is a Cherokee and Osage by blood, and is identified on the Cherokee authenticated tribal roll of 1880; that about ten or fifteen years ago the said Nick Thompson removed from the Cherokee Nation and became a citizen of the Osage tribe of Indians in Oklahoma, and is enrolled on the annuity rolls of said tribe.

It is, therefore, the opinion of this Commission that, following the ruling of the Department in the case of Nancy Sky, et al., (I.T.D. 4991-1902), the applicant, Nick Thompson, has forfeited his rights to citizenship in the Cherokee Nation, and that his application to be enrolled as a Cherokee by blood, should be denied, and it is so ordered.

BY THE COMMISSION:

Q What is your name? A J. A. Thomas.
Q What is your age, Mr. Thomas? A 53.
Q What is your post office? A Vinita, I. T.
Q Are you a citizen of the Cherokee Nation? A Yes.
Q Of what blood? A White man - intermarried.
Q Were you once acquainted with a man in Cooweescoowee District
by the name of William Tassel?
A Yes, sir.
Q Was he a Cherokee by blood? A Yes, sir.
Q About how old would William Tassel be at the present time if
living?
A He would be about 51 or 52.
Q Was he the only man you have ever known by the name of William
Tassel in Cooweescoowee District whose age would correspond
to the one given?
A Yes, sir.
Q When did you first become acquainted with William Tassel.
A Well, I forget; it was in '72 or '73.
Q Was he living in Cooweescoowee District at that time?
A Yes, sir.
Q Did you know the name of his father? A No, sir.
Q Did you know the name of his mother? A No, sir.
Q Was William Tassel living in Cooweescoowee District when the
1880 Cherokee Tribal Roll was made?
A As well as I remember, he was.
Q If he had not been in Cooweescoowee District, in what dis-
trict would he have been?
A I could not tell you; he left here and went to Delaware, but
it was away after that.
Q Did you know his wife?
A Yes, sir.
Q What was her name?
A Her name was Annie Watseit.
Q Are you sure about her given name?
A Well, that was part of her given name; I do not know whether she
had a double name or not.
Q Do you know whether she was ever known by another name or not?
A Well, I do not.
Q Were you personally acquainted with her?
A No.
Q Was she of Cherokee blood?
A Yes, sir.
Q Was William Tassel married to his Cherokee wife before the
1880 Cherokee Tribal Roll was made?
A I think he was, as well as I can remember.

(2).

- Q Was she a young woman when he was married to her?
 A Yes, sir.
 Q Do you know whether or not she ever went by the name of Lucy?
 A I do not.
 Q Would her name appear on the 1880 Roll along with William Tassel?
 A I believe it would.
 Q Is this the only Tassel family you knew in Cooweescoowee District?
 A Yes, at that time.
 Q If there is only one woman by the name of Tassel on the 1880 Roll in Cooweescoowee District, and that name appears immediately succeeding the name of William Tassel, is it your opinion that she is without doubt William Tassel's wife?
 A Yes, I am satisfied of it.
- Q If no Annie Tassel appears either in Cooweescoowee District or Delaware District on the 1880 Roll, does that still further make you believe that the Lucy Tassel immediately succeeding William Tassel on the 1880 Roll is the woman to whom you refer as Annie Warseit?
 A Yes.
 Q Did you know the name of the father of William Tassel's wife?
 A Yes, sir.
 Q What was his name?
 A Johnson Warseit.
 Q Did you know the name of her mother?
 A No, sir.
 Q About how old would William Tassel be at the present time if he were living?
 A Why, he would be 51 or 52.
 Q Is William Tassel dead?
 A Yes, sir.
 Q How long has he been dead?
 A I disremember.

William Tassel is identified on the 1880 Cherokee Tribal Roll, Cooweescoowee District, number 2999, and is listed from information on Cherokee Doubtful Card 1553. One Lucy Tassel is identified on the 1880 Cherokee Tribal Roll, Cooweescoowee District, number 3000, and is listed from information on Cherokee Doubtful Card 1554. The Copy of the 1880 Cherokee Tribal Roll in the possession of the Commission having been examined, it is found that these two persons, along with what appears to be their infant child, Ida Tassel, native Cherokee five months old in 1880, are the only persons by this name who appear upon that Roll in Cooweescoowee District. This Lucy Tassel is without doubt the wife of William Tassel to whom the witnesses refer.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 23rd day of May 1905, and that the above and foregoing is a full and correct transcript of his said stenographic notes taken in said case.

A Yes, I am satisfied of it.
Q If no Annie Tassel appears either in Cooweescoowee District or Delaware District on the 1880 Roll, does that still further make you believe that the Lucy Tassel immediately succeeding William Tassel on the 1880 Roll is the woman to whom you refer as Annie Varseit?

 Q How long has William Tassel been dead?
 A Oh, it has been 15 years.
 Q Is his wife living?
 A No, she is dead, too.
 Q How long has she been dead?
 A I could not say how long she has been dead?
 Q Has she been dead as much as 4 or 5 years?
 A Yes, longer than that.
 Q In what district were they living when they died?
 A I could not say.

William Tassel is identified on the 1880 Cherokee Tribal Roll, Cooweescoowee District, number 2999, and is listed from information on Cherokee Doubtful Card 1553. One Lucy Tassel is identified on the 1880 Cherokee Tribal Roll, Cooweescoowee District, number 3000, and is listed from information on Cherokee Doubtful Card 1554. The Copy of the 1880 Cherokee Tribal Roll in the possession of the Commission having been examined, it is found that these two persons, along with what appears to be their infant child, Ida Tassel, native Cherokee five months old in 1880, are the only persons by this name who appear upon that Roll in Cooweescoowee District. This Lucy Tassel is without doubt the wife of William Tassel to whom the witnesses refer.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 23rd day of May 1905, and that the above and foregoing is a full and correct transcript of his said stenographic notes taken in said case.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Gentlemen:

This office is in receipt of your letter of September 21, 1905, referring to its letter of the 18th inst. addressed to Margaret E. Steward of Decatur, Illinois, in reply to her recent letter stating that she believes that the G. W. Williamson whose name appears in an advertised list of persons whose names appear on the Cherokee rolls of 1880 and 1896 is her brother. You ask to be furnished "the necessary blanks to be authenticated in said case that same may be forwarded" for filing.

In reply you are advised that it does not appear from an examination of the records in the matter of the application for the enrollment of G. W. Williamson referred to that he is identical with the brother of Margaret E. Steward. The name of G. W. Williamson was included in an advertised list of persons whose names appear on the tribal rolls of the Cherokee Nation unaccounted for.

Certain information has been obtained relative to this G. W. Williamson, who is a white man, and it would appear from the information obtained that he has never made a personal application

Gentlemen:

This office is in receipt of your letter of September 29, in further reference to the matter of the enrollment, as a citizen of the Cherokee Nation, of G. W. Williamson. You state that your clients would like to have an opportunity to be heard as to whether or not the enrollment on the 1880 Cherokee tribal roll of one G. W. Williamson, whose name appears thereon, was caused by a personal application or by proxy.

In reply you are advised that the records of this office do not show that the G. W. Williamson, whose name appears upon the 1880 authenticated roll of citizens of the Cherokee Nation, and whose name is included in an advertised list of persons whose names appear, unaccounted for, on the rolls of 1880 and 1896, concerning which correspondence between you and this office has heretofore referred, is a brother of Margaret E. Steward of Decatur, Illinois.

The question of whether or not application was made in person to the census takers who took a census from which the 1880 Cherokee roll was prepared, is immaterial to any pending

application for enrollment before this office as citizens of the Cherokee Nation. Your request to be given an opportunity to show whether or not personal application was made in 1880 for the enrollment of the brother of Margaret E. Steward cannot be complied with.

You have heretofore been advised what the records of this office show with reference to the G. W. Williamson, an applicant before this office for enrollment as a citizen by inter-marriage of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
May Tyner
as a citizen of the Cherokee Nation.

--:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of May Tyner as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said May Tyner is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of

May Tyner

on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of May Tyner as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Ellen Wilson
as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Ellen Wilson as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Ellen Wilson is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

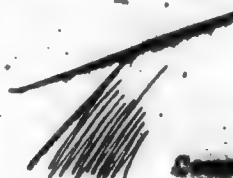

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was posted in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed if information has been obtained tending to show the status of

Ellen Wilson

on September 1, 1904.

IT IS THEREFORE ORDERED: That the application for the enrollment of Ellen Wilson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
P. F. ARMSTRONG as a citizen by intermarriage of the Cherokee
Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902 application was received by the Commission to the Five Civilized Tribes for the enrollment of P.F. Armstrong as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, November 25, 1903.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, P. F. Armstrong, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as he may have acquired by virtue of his marriage to one Darcus Armstrong, nee Felling, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Delaware District, No. 33, as a native Cherokee. It is further shown that about the 1887 the said P. F. Armstrong abandoned the said Darcus Armstrong and has not since been heard from, it appearing from a letter attached to the record in this case that said P. F. Armstrong was a member of a band of out-laws about 1887.

In view of the foregoing it is considered that the said P. F. Armstrong, by reason of his abandonment of the said Darcus Armstrong, forfeited whatever right he may have acquired to enrollment as a citizen by intermarriage of the Cherokee Nation by virtue of his marriage to the said Darcus Armstrong.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, P.F. Armstrong, is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898, (30 Stats., 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

Dear Sir:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine the right to enrollment of your father, P. F. Armstrong, as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of his marriage and whether or not his wife, by reason of his marriage to whom he claims the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of his marriage to her, and whether or not he was married to her in accordance with Cherokee laws.

You are, therefore, directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

The Honorable,
The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from Commissioner Bixby, dated February 19, 1907, enclosing the record in the matter of the application for the enrollment of P.P. Armstrong as a citizen of the Cherokee Nation by intermarriage, together with his decision of the same date adverse to the applicant.

It appears that the applicant is a white man who married one Darkis Falling about 1873 or 1875, who was a Cherokee citizen by blood. He deserted her about 1887 and at the time of the last hearing he had not been seen or heard from for years, and it does not appear that he is living at the present time. The Office concurs in the opinion of the Commissioner that by his abandonment of his Cherokee wife he forfeited whatever right he might have had to be enrolled as an intermarried citizen of the Cherokee Nation, and it is recommended that the decision of the Commissioner denying the application be affirmed.

Very respectfully,

C.F. Larrabee,

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of -----
Agin as a citizen of the Cherokee Nation.

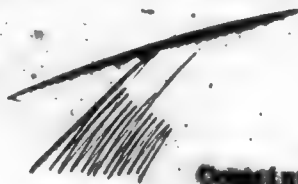

THE EVIDENCE IN THIS CASE SHOWS: That said -----
Agin is identified on the Cherokee Authenticated roll of 1880
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1901,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 22, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of
----- Agin ----- on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of ----- Agin ----- as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

C. D. 1564.

Afton, Indian Territory, May 19, 1905.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application made for the enrollment of Surbina Author as a citizen of the Cherokee Nation.

David W. Harrison, being first duly sworn, testified as follows:

BY THE COMMISSION:

Q What is your name? A David W. Harrison.
Q What is your age, Mr. Harrison? A 60 years old.
Q What is your post office? A Afton, I. T.
Q Are you a citizen of the Cherokee Nation? A By adoption.
Q How long have you lived in Delaware District?
A I moved in Delaware District in 1871 - in September.
Q In what part of Delaware District did you then live?
A I lived at Maysville, near the Arkansas line.
Q While living in this section of Delaware District, Cherokee Nation, were you acquainted with a woman by the name of Surbina Author?
A Yes, sir.
Q Did you know the name of her father?
A No, sir.
Q Did you know the name of her mother?
A No, sir.
Q Was she a married woman when you knew her?
A She was a widow woman.
Q What was the name of her husband?
A Author, of course.
Q Did you know his given name?
A No, sir.
Q Was Surbina Author living in Delaware District when the 1880 Roll was made?
A Yes, sir, I think she was; I am satisfied she was.
Q Were you living in this section when that roll was made?
A Yes, sir.
Q Does your name appear on the 1880 Cherokee Tribal Roll, Delaware District, as an adopted white?
A Yes, sir.
Q Were you personally acquainted with this Surbina Author?
A Yes, sir.
Q Was she a citizen by blood of the Cherokee Nation?
A Yes, I am satisfied she was.
Q Did she have any children?
A Yes, sir, she had two children that I was acquainted with.
Q What were their names?
A She lived with a daughter named Ballard- Sallie Ballard.
Q What was the name of the other child?
A Patsy Lucky.
Q Both the children whom you knew were married, were they?
A Yes, sir.
Q Who was the Mrs. Ballard to whom you refer?
A She was a daughter of Surbina Author.

(2).

- Q Is this woman to whom you refer the only woman by the name of Surbina Author you ever knew in Delaware District?
- A Yes, sir; that is the only family I knew in the district by that name that I remember of.
- Q Have you lived in different portions of Delaware District?
- A I lived in five miles of where that woman lived for about 18 years, and then I have lived here in Afton three years now, and I also lived close to Bluejacket.
- Q Have you ever heard of any woman in Delaware District by the name of Surbina Author except the woman to whom you refer?
- A No, sir.
- Q Has the matter of the application made for the enrollment of this person been brought to your attention before this?
- A Yes, sir, I have heard it spoken of.
- Q Have you thought about the matter some?
- A Yes, sir, I have been thinking about it ever since I heard it.
- Q If the Surbina Author to whom you refer were living at the present time, about what would be her age?
- A Well, she would be between 80 and 90.
- Q Is she living at the present time or dead?
- A No, sir, she is dead.
- Q How long has she been dead?
- A Well, she has been dead 10 or 12 years, anyway.
- Q Did she die in Delaware District?
- A Yes, sir; she died at her daughter's in Delaware District.
- Q If there is found on the 1880 Cherokee Tribal Roll, Delaware District, only one person by the name of Surbina Author, is it your opinion that this must be the Surbina Author to whom you refer?
- A Yes, sir; I could not account for it any other way.

One Surbina Author is identified on the 1880 Cherokee Tribal Roll, Delaware District, number 56, and is listed from information on Cherokee Doubtful card 1564. The age of the Surbina Author listed on said card would only be at the present time about 38 years, but if there appears on the 1880 Roll only one person by this name, there is doubtless a mistake in the age and this person is the woman to whom the witness refers.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 19th day of May 1905, and that the above and foregoing is a full and correct transcript of his said stenographic notes taken in said case.

Subscribed and sworn to before me, this June 13th 1905.

O R D E R.

THE RECORD HEREIN SHOWS: That, on June 30, 1902,
Emmet Starr appeared before the Commission at Muskogee, Indian
Territory, and made application for the enrollment of Surbina
Arthur as a citizen of the Cherokee Nation. The record further
shows that said applicant died prior to September 1, 1902.

Section twenty-five of the Act of Congress approved
July 1, 1902 (32 Stat., 716), provides:

"The roll of citizens of the Cherokee Nation shall be
made as of September first, nineteen hundred and two, and
the names of all persons then living and entitled to en-
rollment on that date, shall be placed on said roll by
the Commission to the Five Civilized Tribes."

IT IS, THEREFORE, ORDERED: That the application for
the enrollment of Surbina Arthur as a citizen of the Cherokee
Nation, be, and the same is, hereby dismissed, without prejudice.

Chairman.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Surbina Arthur as a citizen of the Cherokee Nation.

---:---

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Surbina Arthur as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Surbina Arthur is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 11, 1905, a collection of letters to the
of the person named in the collection, who had not been
from the collection, was found in the form of a duplicate to
be sent to the person in general circulation in the Church and
other, and notice was given that the applications for the
part of the person named in said letter concerning the no. 1000
and could be received prior to October 1, 1905, would be accepted
in the collection and have been received in the collection of
the collection.

IT IS HEREBY ORDERED that the application for the
part of the person named in the collection, who had not been
from the collection, was found in the form of a duplicate to
be sent to the person in general circulation in the Church and
other, and notice was given that the applications for the
part of the person named in said letter concerning the no. 1000
and could be received prior to October 1, 1905, would be accepted
in the collection and have been received in the collection of
the collection.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Eysell, J. W. Horn, David McDaniel, George Morgan, W. J. NOTICE IS HEREBY GIVEN that the undersigned, the Commissioner to the Five Civilized Tribes, has been designated by the Secretary of the Interior, as the official to make and approve appraisals of the value of improvements upon land in the Cherokee Nation which were made prior to November 5, 1906, by white persons who intermarried with Cherokee citizens prior to December 16, 1895, and who have the right under the Act of Congress approved March 2, 1907 (Public 180), to sell improvements.

NOTICE IS FURTHER GIVEN that former claimants to citizenship by intermarriage who have made permanent and valuable improvements on lands of the Cherokee Nation and who claim the right to sell the same under and by virtue of said Act of Congress of March 2, 1907 (Public 180), must appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, and designate the land upon which are located the improvements which they claim the right to sell by virtue of said Act; and if any such intermarried citizen shall fail to appear before the Commissioner to the Five Civilized Tribes prior to April 1, 1907, it will be considered that he makes no claim to the benefits conferred by said Act. Such appearance and designation of improvements must be made before the Commissioner at his office in Muskogee, Indian Territory, at any time between Monday, March 11th, 1907, and Saturday, March 30th, 1907, inclusive, or at any of the following named places between the dates named at which places the Commissioner will have a representative to receive said designations and hear testimony relative thereto:

mediate family, by a person holding a properly executed power of attorney; provided, that in every case the designation must be made by a party familiar with the character, ownership, location and value of the improvements to be designated. If any intermarried white claimant has made a tentative selection of a full allotment he will not be allowed to designate improvements upon other land.

NOTICE IS FURTHER GIVEN that if any citizen of the Cherokee Nation entitled to select an allotment shall claim that the improvements on land tentatively selected by a former intermarried white claimant, or held by him, do not belong to said intermarried white claimant, or makes any adverse claim to said improvements, or to the right of the intermarried white claimant to sell said improvements under the Act approved March 2, 1907 (Public 180), said citizen must appear before the Commissioner to the Five Civilized Tribes either at Muskogee, Indian Territory, prior to April 1, 1907, or at one of the places above designated and within the dates above designated and make formal complaint before the Commissioner to the Five Civilized Tribes of his contention. All persons interested should take careful note of the limitation of time herein provided for, within which designations and complaints may be made, and that they must be made by appearance before the Commissioner.

ORDER OF DISMISSAL.

--:--

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission, and for whose enrollment no previous application had been made, to-wit: Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr. Joseph Bird, Elizabeth Davis and Culah-takey Jones, whose names appear on the authenticated tribal roll of 1880, and for Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes, whose names appear on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that said applicants are of Indian nationality of either Cherokee or Shawnee blood.

It appears from letters on file in these cases, received in answer to inquiries by the Commission, that all of the above

named applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public-No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the name of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of Samie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr., Joseph Bird, Elizabeth Davis, Gulah-takey Jones, Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes as citizens of the Cherokee Nation, should be, and the same are hereby, dismissed.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of G. F. Buffington as a citizen of the Cherokee Nation.

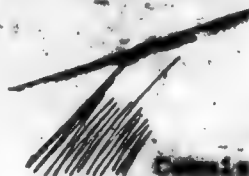

THE EVIDENCE IN THIS CASE SHOWS: That said G. F. Buffington is identified on the Cherokee Authenticated roll of 1880 as an adopted Shawnee.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1901, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been prosecuted for, was issued in the form of a supplement to several newspapers for general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be obtained prior to December 1, 1905, would be dismissed. The information has been obtained tending to show the status of G. E. Buffington on September 1, 1905.

It is respectfully requested that the application for the enrollment of G. E. Buffington as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

CHEROKEE D 1574.

In the matter of the application made for the enrollment of Boudinot as a citizen of the Cherokee Nation.

Claud L. Washburn, being first duly sworn, testified as follows:

BY THE COMMISSION:

- Q What is your name? A Claud L. Washburn.
Q What is your age, Mr. Washburn? A I am 47.
Q What is your post office address? A Southwest City, Missouri.
Q Are you a citizen by blood of the Cherokee Nation? A Yes, sir.
Q In what district were you living when the 1880 Roll was made?
A In the Delaware District.
Q Mr. Washburn, are you acquainted with a young man by the name of Boudinot?
A I once knew a boy by the name of Boudinot, and he was frequently called Boudinot Mouse, and sometimes Boudinot Goodin.
Q Did you know the name of his father?
A No, I never knew who his father or his parents were.
Q You did not know the name of his mother? A No.
Q Was he the only person of that name you ever knew in Delaware District?
A The only one that would have any relation to this case whatever. I knew several Boudinots.
Q Was this young man Boudinot to whom you refer a citizen by blood of the Cherokee Nation?
A Yes.
Q Did he live in Delaware District? A Yes.
Q Do you know whether or not he is living at the present time?
A I do not; I have not seen or heard of him for several years.
Q Could you state how many years it has been since you saw or heard of him?— Approximate it.
A Well, the last time I remember distinctly of seeing him was right after the time of the strip payment.
Q That was in 1894? A Yes. But I have possibly seen him since.
Q About what age would you judge the Boudinot to whom you refer to be at the present time if living?
A Well, time flies; I remember him just as a boy, but I expect he would be 28 or 30.
Q Did he have any permanent home? A No.
Q With what families did he live?
Q He lived with a family by the name of Mouse on Beatty's Creek, and also with Betsy Goodin.
Q These are the only two you knew of his living with; are they?
A No, he lived with several around in the neighborhood.
Q You do not know whether he is living at the present time or not?
A No, I do not.

(2).

- Q If he is on the final roll, would it most likely be under the name of Boudinot Mouse, or Goodin?
A I might be under the name of Mouse, Tanner or Wolf.

One Boudinot is identified on the 1880 Cherokee Tribal Roll, Delaware District, No. 362, and is listed from information on Cherokee Doubtful Card number 1574, which may be a duplicate of another card.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he correctly reported proceedings had in the above and foregoing case on the 15th day of May 1905, and that the above and foregoing is a full and correct transcript of his said notes taken in said case.

John Britton as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Britton as a citizen of the Cherokee Nation.

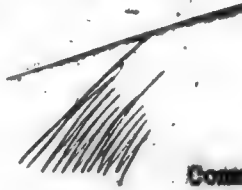

THE EVIDENCE IN THIS CASE SHOWS: That said John Britton is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 11, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information had been secured prior to December 1, 1906, would be dismissed. No information has been obtained tending to show the status of John Britton on September 1, 1906.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Britton as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Miss Sumner (Cherokee 2-2043) is also identified in the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from the residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 78 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of John
Chuck as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John
Chuck is identified on the Cherokee Authenticated roll of 1880
as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

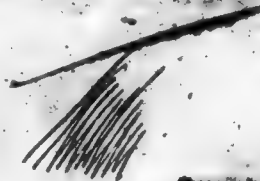

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
enrollment party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land Office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 21, 1905, a certified list containing the names of all persons included in these applications, was sent to the Commissioner of the Bureau of Indian Affairs, who has to this date been instructed to keep the same in the form of a permanent record. It appears in general accordance with the character and spirit of the act, and nothing was done to the applications for the purpose of the persons named in said list containing their names, but it would be secured prior to January 1, 1906, would be secured by the Commissioner and sent to the Bureau of Indian Affairs.

John Chuck

September 1, 1905

It is recommended (approved) that the application for the enrollment of John Chuck as a citizen of the Cherokee Nation be, and the same is, hereby disapproved, without prejudice.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it is the first official statement of the President's policy towards the South. The President states that he is not a secessionist, but he is a Unionist. He says that he will not allow the South to secede from the Union, but he will not use force to prevent it. He says that he will leave it to the Congress to decide what to do.

 A Yes, sir, he went up there last Spring.

 A No, sir, I do not think he has; of course he has been out, but not to live out.

Such appearance and designation of improvements must be made before the Commissioner at his office in Muskogee, Indian Territory, at any time between Monday, March 11th, 1907, and Saturday, March 30th, 1907, inclusive, or at any of the following named places between the dates named at which places the Commissioner will have a representative to receive said designations and hear testimony relative thereto:

Akie Beamer (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cecley, Levi Eysell, J. W. Horn, David McDaniel, George Morgan, W. J. Carter, Lewis Cordrey, Thompson Gritts, Annie Gustin, Henry Gustin, Laura Johnson, Mary Phillip, Thomas Funnels, William Raft, Jennie Raft, Charlotte Smaker, Nancy Sunday and Betsey Sullateskee, whose names appear on the Cherokee census roll of 1896.

Akie Beamer (Cherokee D-2043) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from the residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1900 (Public - No. 241), and duly ratified, as provided in Section 7c thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Cocley, Levi Russell, J. W. Horn, David McDaniel, George Morgan, W. J. Cherokee D-1881.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Che-kah-me-gai-hees as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Che-kah-me-gai-hees as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Che-kah-me-gai-hees is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

-8-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been associated for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Che-kah-me-gai-hees on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Che-kah-me-gai-hees as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
----- Chick-coo-1e as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of ----- Chick-coo-1e as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said ----- Chick-coo-1e is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of
----- Chick-coo-ie on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of ----- Chick-coo-ie as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

George W. Collins, William L. Morris, Martha Coody, John Thompson, Laura Thompson, Mary Ann Hood, and Margret Russell, whose names appear upon the authenticated tribal roll of 1890, and Sallie E. Jordan, Anna Miller, William H. Slack, James H. Wilkerson, Parley L. Dutcher, Thomas Gregory, Mary J. Hilderbrand, Luther Thornton, and Amos Kiper, whose names appear upon the Cherokee Census Roll of 1896.

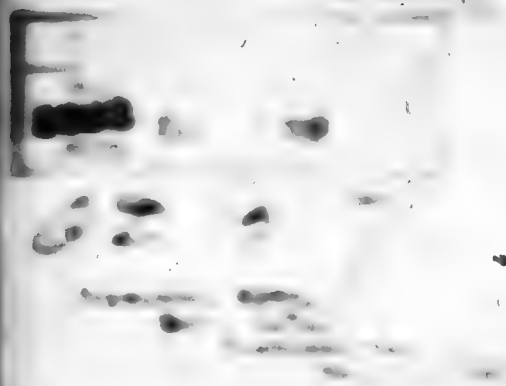

An examination of the said Tribal Rolls shows that

The Commission on the Status of Women, established in 1946, was the first of its kind. It was created by the United Nations to study the status of women and to make recommendations for their improvement. The Commission has since held several sessions, and its work has been instrumental in the development of international conventions and resolutions related to women's rights.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Lydia Ann Cox as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Benet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Lydia Ann Cox as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Lydia Ann Cox is identified on the Cherokee authenticated roll of 1902 as a Cherokee.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Lydia Ann Cox on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Lydia Ann Cox as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

In the matter of the application for the enrollment of
Dora Denton as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Dora Denton as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Dora Denton is identified on the Cherokee Authenticated roll of 1880 as a citizen by intermarriage of the Cherokee Nation.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Dora Denton on September 1, 1905.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of John Robert Dobkins as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John Robert Dobkins is identified on the Cherokee Authenticated roll of 1880 as a citizen by intermarriage of the Cherokee Nation.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

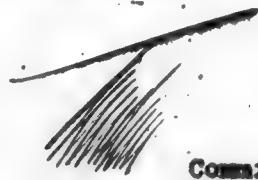

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed if information has been obtained tending to show the status of

John Robert Dobkins

on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Robert Dobkins as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application for the enrollment of
John H. Duncan, as a citizen by blood of the Cherokee Nation.

---: D E C I S I O N :---

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogees, Indian Territory, and made application for the enrollment of John H. Duncan, as a citizen by blood of the Cherokee Nation. A letter dated January 20, 1905, from Edward D. Cary, uncle of the applicant herein, is filed herewith and made a part of the record in this case.

It appears from the records in the possession of the Commission that John H. Duncan is a Cherokee Indian and is identified upon the 1880 Authenticated Cherokee Roll.

The evidence herein shows that all trace of the applicant was lost after 1873 and that his whereabouts since that date is unknown to his relatives or friends.

An Act of Congress approved May 2, 1890, (26 Stats., 182), put in force in the Indian Territory, chapter 59 of Mansfield's Digest of the Statutes of Arkansas. Section 2850 of said chapter 59, provides:

"Any person absenting himself beyond the limits of this state for five years successively shall be presumed to be dead, in any case in which his death may come in question unless proof be made that he was alive within that time."

In Sharp v Johnson, 22 Ark. 79, 90, it was held that "By our statute, a person once resident in the state, and absent from it for five years, is presumed to be dead, unless proven to be alive within that time."

In Sensenderfer v Pac. Mut. Life Ins. Co., 19 Fed. 68, it was held that "Absence of a person alone does not raise a presumption of his death; but such absence, in connection with surrounding circumstances, such as the failure by his family and friends to learn of his whereabouts, create a very strong presumption of death; the law being satisfied with less than certainly, yet requiring a preponderance of proof."

In view of the law applicable to the facts as established by the evidence in this case, it is considered by this Commission that the said John H. Duncan died prior to September 1, 1902.

Section Twenty-five of the Act of Congress approved July 1, 1902, (32 Stats., 716), provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteenhundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is therefore ordered that the application for the enrollment of John H. Duncan, as a citizen by blood of the Cherokee Nation, be, and the same is, without prejudice, hereby dismissed, under the provisions of Section Twenty-five of the Act of Congress approved July 1, 1902, (32 Stats., 716).

A About 70 years.
Q Were you once acquainted with a man in Delaware District by
the name of John H. Duncan?
A Yes, sir.
Q Was he related to you in any way?
A Half nephew.
Q How old would John H. Duncan be if living at the present time?
A He was about six years old when the war came up.

Cherokee Tribal Roll was made?
A I do not think he was.
Q Was he the only John H. Duncan you ever knew in Delaware
District?
A The only one.
Q What was the name of his father?
A William Duncan.
Q What was the name of his mother?
A Narcissa.
Q Was John H. Duncan a recognized citizen of the Cherokee Nation?
A Yes, sir.
Q What amount of Cherokee blood did he possess?
A Well, his father was about a half breed and his mother a
white woman.

A Yes, about a quarter.
Q Is John H. Duncan living at the present time?
A He left here so long ago I can not say, but I think he is
dead or he would have written back to us.
Q How long has it been since he left the Cherokee Nation?
A About 31 or 32 years ago.
Q You are not positive about the number of years?
A No, but it is longer than that if anything.
Q If his name appears on the 1880 Roll, it must have been put
there by some one else?
A Yes, it was put there by some one else.

(2).

- Q Where did John H. Duncan go when he left the Cherokee Nation?
A I do not know, he just pulled out. He was living with a half brother on the Neosho River.
Q Have you ever heard from him since he left?
A No, he was in the Canadian District about a month after he left.
Q Did he make known his destination when he left here?
A No.
Q Has he been written?
A No, I do not think he has; we did not know where to write.
Q What is your idea about his having been dead several years?
A Because he never showed up or never wrote back.
Q You think he is without doubt dead, do you?
A Yes.
Q Was he married when he left here?
A No, sir.

John H. Duncan is identified on the 1880 Cherokee Tribal Roll, Delaware District, and is listed from information on Cherokee Doubtful Card number 1596. This is without doubt the John H. Duncan referred to by the witness.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 16th day of May 1905, and that the above and foregoing is a full and correct transcript of his said stenographic notes taken in said case.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Wm. Davison as a citizen of the Cherokee Nation.

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Wm. Davison as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Wm. Davison is identified on the Cherokee Ancestral roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to September 1, 1905, would be dismissed if information has been obtained tending to show the status of Wm. Davison on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Wm. Davison as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

**REPORT OF THE COMMISSIONER
RELATIVE TO THE NEW CHEROKEE TRIBES.**

In the matter of the application for the enrollment of
WILLIAM T. DAVIS as a citizen by intermarriage of the Cherokee
Nation.

D E C I S I O N

THE RECORD OF THIS CASE IS: That at Muskogee, Indian Territory, June 21, 1900 application was received by the Commissioner to the New Cherokee Tribes for the enrollment of William T. Davis as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, August 29, 1900, October 31, 1900 and January 23, 1907.

THE RECORD IN THIS CASE IS: That the applicant herein, William T. Davis, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as he may have acquired by virtue of his marriage on September 9, 1872 to one Francis C. Davis, now Ballard, since deceased, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Delaware District, Page 290 No. 849, as a native Cherokee named "Tuck", that from the time of said marriage until the death of said Francis C. Ballard, which occurred about the year 1892, the said William T. Davis and Francis C. Davis resided together as husband and wife and continuously lived in the Cherokee Nation. It is further shown that about the year 1892 the said William T. Davis was married to one Elizabeth Davis, now Carlton, a Delaware, who is identified on the Delaware Register, Page 27, opposite No. 942 as "Elizabeth Carlton", who acquired her right to enrollment as a citizen of the Cherokee Nation by virtue of her compliance with the provisions of the agreement entered into by the Cherokee and Delaware Tribes of Indian April 4, 1867. It is also shown that said William T. Davis was divorced from the said Elizabeth Davis September 2, 1899. The evidence further shows that about the year 1892 said William T. Davis was married to one Paul Davis, now Hall, who is identified on the Cherokee authenticated tribal roll of 1880, Delaware District, Page 267, No. 1257 as "Paul Hall", an adopted Delaware, that since said marriage the said William T. Davis and Paul Davis have resided together as husband and wife and continuously lived in the Cherokee Nation.

In view of the foregoing I am of the opinion that the said William T. Davis, by reason of his marriage in 1872 to his wife, Elizabeth Davis, and also by reason of his marriage in 1892 to his present wife, Paul Davis, both of whom were citizens of the Cherokee Nation not of Cherokee blood, forfeited whatever right to enrollment as a citizen by intermarriage of the Cherokee Nation which he may have acquired by reason of his marriage to Francis C. Davis in 1872.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the case of United Red Bird et al. vs. the United States, 204 U.S. 242, 257 and 258, the said applicant, William T. Davis is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 24, 1900 (36 Stat. 493), to enrollment as a citizen by intermarriage of the Cherokee Nation, and this application for enrollment as such is accordingly denied.

Muskogee, Indian Territory.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
William F. Davis as a citizen of the Cherokee Nation.

D E C I S I O N.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of William F. Davis as a citizen of the Cherokee Nation. Further proceedings were had in the matter of said application at Muskogee on October 29, 1902.

The evidence in this case shows that William F. Davis is identified on the Cherokee authenticated tribal roll of 1880, and the census roll of 1896, as an "adopted white", having been married prior to 1880 to a Cherokee citizen.

Section 21 of the Act of Congress approved June 28, 1896, (30 Stats., 495), provides for the enrollment of Cherokee citizens "with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Section 666 of the Compiled Laws of the Cherokee Nation (1892) provides:

"Should any man or woman, a citizen of the United States or of any foreign country, become a citizen of the Cherokee Nation by intermarriage, and be left a widow or widower by the decease of the Cherokee wife or husband, such surviving widow or widower shall continue to enjoy the rights of citizenship, unless he or she shall marry a white man or woman, or person, (as the case may be), having no rights of Cherokee citizenship by blood; in that case, all of his or her rights acquired under the provisions of this act shall cease."

It appears that the applicant, William F. Davis, acquired rights of Cherokee citizenship by intermarriage with his first wife, and it further appears that on her death he married one, Deode Davis, a citizen of the Cherokee Nation by Delaware blood.

The evidence further shows that the said William F. Davis has resided continuously in the Cherokee Nation since 1880.

It is therefore the opinion of this Commission that William F. Davis should be enrolled as a citizen by intermarriage of the Cherokee Nation in accordance with the provisions of section twenty-one of the Act of Congress above quoted, and it is so ordered.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. In the matter of the application for the enrollment of
Louisa Glass as a citizen of the Cherokee Nation.

---:--

O R D E R.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Louisa Glass as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Louisa Glass is identified on the Cherokee Authenticated roll of 1890 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1906, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1906, would be dismissed. No information has been obtained tending to show the status of Louise Glass as of September 1, 1906.

IT IS THEREFORE ORDERED: That the application for the enrollment of Louise Glass as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Begner (Cherokee D-2048) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Q Has this man Jackson Jackson or Jackson Devil any children by his wife?
A No, sir, he has none.
Q Is his wife a Cherokee by blood or a white woman?
A She is a Cherokee by blood.
Q Do you know whether this man or his wife have ever been enrolled by the Dawes Commission as citizens of the Cherokee Nation?
A No, I do not; his father wanted this Jack to enroll, but he belonged to the Keetoowahs and was opposed to enrollment.
Q Then this man of whom you speak is a Keetoowah?
A Yes.
Q You say this Jack Jackson married the daughter of Dirtthrower Downing?
A Yes, sir.
Q Is Dirtthrower Downing enrolled as a citizen of the Cherokee Nation?
A Yes.
Q What is the name of the wife of Dirtthrower Downing?
A She is a white woman, but I declare I have forgotten her name.
Q Did Dirtthrower Downing have any children by his white wife of whom you speak?
A No, sir, he did not.
Q Do you know under what name Dirtthrower Downing has been enrolled as a citizen of the Cherokee Nation?
A No, I do not; his sister was enrolled as a freedman.
Q After having considered the matter, are you sure as to what the name of Jackson Jackson's wife is?
A Yes, sir - Lucy Devil.
Q Dirtthrower was just a given name and they called her Dirtthrower?
A Yes.
Q The maiden name of this Jackson Jackson's wife was just Dirtthrower, was it?
A Yes.
Q And she was the daughter of Dirtthrower Downing?
A Yes.
Q How old is the Jackson Jackson or Jackson Devil of whom you speak?
A Well, that is a hard thing to judge; I would not know at all, he might be 40 and he might be 55 or 60.
Q Is he a young looking man?
A He has been about the same looking for the last 15 years.

Q You do not know how old he is, do you?
 A No, sir, I do not.
 Q How old is his wife, Lucy?
 A Well, she must be 35.
 Q Have they any children at all?
 A No, sir.
 Q Do you know whether his wife has ever been enrolled as a citizen by blood of the Cherokee Nation?
 A I do not know whether she has or not; I was talking to her some time ago and she said she wanted to enroll herself and take her allotment, but her husband, Jack, was opposed to it?
 Q Has she lived continuously from your first acquaintance with her in the Cherokee Nation?
 A She has.
 Q Do you remember the date of her marriage to Jack Jackson?
 A I do not; when I first got acquainted with them they were married.
 Q What is their post office address?
 A Spavinaw, I. T.
 Q How far do they live from Spavinaw?
 A About three miles.
 Q Do you know in what district they were living when the 1896 Cherokee Census Roll was made?
 A They were living in Saline.
 Q Mr. Bumgarner, are you able to state the other name by which this man of whom you have been speaking is known?
 A Yes; he was known as Jack Ribbon, Jack Devil and some called him Jack Jackson.

One Jackson Jackson is identified on the 1880 Cherokee Tribal Roll, Delaware District, number 1347, and is listed from information on Cherokee Doubtful Card 1611. The man of whom the witness speaks is the only man of this name who has been known by any of the old settlers in that section of the Cherokee Nation.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Jackson Jackson as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Jackson Jackson as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Jackson Jackson is identified on the Cherokee Authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1901, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 28, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed as information had been obtained tending to show the status of

Jackson Jackson

IT IS HEREBY ORDERED: That the application for the enrollment of Jackson Jackson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

ORDER OF DISMISSAL.

---:

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission, and for whose enrollment no previous application had been made, to-wit: Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr. Joseph Bird, Elizabeth Davis and Culah-takey Jones, whose names appear on the authenticated tribal roll of 1880, and for Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes, whose names appear on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that said applicants are of Indian nationality of either Cherokee or Shawnee blood.

It appears from letters on file in these cases, received in answer to inquiries by the Commission, that all of the above

named applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public-No. 241), and duly ratified, as provided in Section 75 thereof, provides:

It is, therefore, ordered that the applications for the enrollment of Susie Parris, M. A. ORDER OF DISMISSAL.

--

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission, and for whose enrollment no previous application had been made, to-wit: Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson, Jr., Joseph Bird, Elizabeth Davis and Culah-takey Jones, whose names appear on the authenticated tribal roll of 1880, and for Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes, whose names appear on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that said applicants are of Indian nationality of either Cherokee or Shawnee blood.

It appears from letters on file in these cases, received in answer to inquiries by the Commission, that all of the above

named applicants died prior to September 1, 1902.

Section 28 of the Act of Congress approved July 1, 1902 (Public-No 241), and duly ratified as provided in Section 76 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the name of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of Susie Parris, M. A. Vann, Joe Ala, Charley Boyle, Matilda Johnson, Rebecca Johnson, Berry Johnson Jr., Joseph Bird, Elizabeth Davis, Culah-takey Jones, Josie Cramp, Stand W. Winton, Catherine Hall, Lewis D. Boyd and John H. Dukes as citizens of the Cherokee Nation should be, and the same are hereby, dismissed.

Q What is your post office address? A Grove, I. T.
Q Are you a citizen by blood of the Cherokee Nation.

Q Does your name appear on that roll in Delaware District?
A Yes, sir.
Q Were you once acquainted with a man in Delaware District who went by the name of John?
A I did not know a Cherokee that went by the name of John, but I knew one who went by the name of John Ooluntree.
Q Did you know the name of John Ooluntree's father?
A No, sir.
Q Did you know his mother's name?
A No, sir.
Q Were his father and mother dead when you knew him?
A I could not say.
Q Was he a full blood Cherokee?
A I took him to be a full blood.
Q Was John Ooluntree living in Delaware District when the 1880 Cherokee Tribal Roll was made?
A To the best of my knowledge he was.
Q Were you personally acquainted with him?
A Personally acquainted with him; we went to school together.
Q About how old would John Ooluntree be if living at present?
A Well, he would be 63 or 64 years old, I think; he was older than I was, was a bigger boy than I was. We went to school together and I knew him on up until he died.
Q How long has he been dead?
A I could not answer that question properly.
Q Has he been dead as much as five years?
A Well, five years, more or less.
Q He has been dead at least three years, has he?
A He has been dead more than three years.
Q Did he ever go by any other name except the one given?
A That was all the name I ever knew of his going by.
Q Do you know what name he gave to the Census takers in 1880?
A No, sir, I do not; he talked broken English.
Q He should appear on the 1880 roll in Delaware District under some name, should he not?
A Yes, sir, I think he was raised there.

(2).

- Q Do full bloods sometimes go by several different names?
A Yes, sir, they go by their Indian names sometimes and sometimes by their English names.
Q You do not know if the John Ooluntree of whom you speak was put on the 1880 roll?
A No, sir.

One John is identified on the 1880 Cherokee Tribal Roll, Delaware District, number 1380, and is listed from information on Cherokee Doubtful Card number 1617. Perhaps he is the John Ooluntree about whom the witness testifies, as there does not appear on the 1880 Roll, Delaware District, any person by the name of John Ooluntree, or any name similar to that.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
-----Joab as a citizen of the Cherokee Nation.

O R D E R .

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of
Joab as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said
Joab is identified on the Cherokee authenticated roll
of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -----Joab on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of -----Joab as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Com'r:--The applicant presents what purports to be an official copy of the record of the action of the Cherokee Commission on Citizenship, September 28, 1890, marked No. 39, stating that Thomas, Rebecca, James P., Eddie, Sherman, Mary and Martha Johnson appeared before the Commission in obedience to a proclamation of the Principal Chief, their names appearing on the census roll as doubtful citizens and the Commission, as stated in the document, declared that they were entitled to all the rights and privileges of citizenship by blood, and that there was an error in the census roll in representing them doubtful. It states that Thomas Johnson, the husband of Rebecca, became a citizen of the Cherokee Nation under the marriage law regularizing intermarriage with citizens of the Cherokee Nation and of citizens of the United States, although the said Thomas Johnson is a colored man. It further states that their rights to citizenship is hereby recognized. This bears the name of Beach Young, President, William Harnage and W. W. Hayes, Asst. Commissioners, and J. T. Hayes, Clerk of the Commission. This is filed herewith.

INTERROGATORIES BY W. W. HASTINGS, Cherokee Representative:

- Q Didn't your wife claim to be a sister of David Davis? A My wife was readmitted in 1890. They taken us as doubtful and citizens by blood.
Q Didn't your wife claim to be a sister of David Davis? A No, sir, Dave Davis claimed her as his sister.
Q Did she claim him as her brother? A I do not know whether she did or did not.
Q What witnesses did she have to prove that she was a Cherokee?
A She has been here all the time?
Q What witnesses did she have when she went before the Commission to prove her case? A Tom Fields and Guss Buffington.
Q What Buffington, a connection of hers? A No, sir.
Q What Tom Fields did she have? A He lives right close to us.
Q Was he a Cherokee or colored man? A Cherokee.
Q Did David Davis swear that she was a sister of his? A They took us doubtful and straight both and we didn't draw money and been here always and that is what caused us to have that readmittance paper.
Q Your wife's maiden name was Rebecca Davis? A Yes, sir, I have got the papers here to show that Lumpin O'Fields told me that I had to marry her, and I have been living with her ever since 1878.

BY COMMISSIONER BRECKINRIDGE:

- Q At the time of your admission David Davis was not in the Nation?
A No, sir, he was at Hot Springs, Arkansas. And that was the time he had been talking about us, just a little before the strip payment.
Q His claim to your life was helping him? A Yes, sir.

BY W. W. HASTINGS:

- Q When this matter was investigated before the National Council in 1896, did not some other Rebecca Davis come up before the Committee and claim to be the same Rebecca Davis that claimed to be your wife? A I don't think they did before the Committee; they claimed another woman before the Committee, but she never come up here.

Thomas Johnson---5.

Q Did you ever see that other woman who claimed to be this Rebecca, whom you claimed to be your wife? A Yes sir, she drew strip money and they did not know anything about her. Then counselled against me all one summer, Tom Shade, and I hope to God to let me tell the truth. Then he started here to claim that old woman and this old man come over to get some milk and butter and he started to go to Town and got a little ways and he come back and said he was afraid to go out there and do what they wanted him to do.

There was no trouble, Bob Ruseal and Joe Thompson they took us doubtful and citizens both. Col. Bell was for my wife.

Q L. B. Bell? A Yes, sir, I had plenty of witnesses here. I took my petition before them up there and he said it was the best petition ever brought up before him.

W.W. Hastings, Cherokee Representative:

The Representatives of the Cherokee Nation having been advised that this family was erroneously and fraudulently admitted to citizenship, and that the wife of this applicant, Rebecca Johnson, who was formerly Davis, and it having been further represented that she was not the Rebecca Davis that she was proven to have been, the Representatives reserve the right to open this case for future investigation in case satisfactory testimony is presented to them showing that these representations hereinbefore set forth are true.

Com'r Breckinridge:--The applicant applies for the enrollment of himself and wife: He is identified on the roll of 1880 and he has filed herewith an official copy of the records of the Cherokee Nation showing that he married his wife in accordance with Cherokee law, she being a citizen of the Cherokee Nation and he a citizen of the United States, in accordance with the terms of the license, on the 12th of June, 1879. He is not identified on the roll of 1894. His wife is identified on the rolls of 1880 and 1894, and the applicant states that it is not contended that he and his wife have not lived in the Cherokee Nation ever since they were married in 1879. He states that his wife has lived in the Cherokee Nation all her life. A contention has been set up in regard to the failure of the applicant and his wife to be enrolled in 1896. He has filed herewith what purports to be an official copy of the records of the Cherokee Commission on Citizenship, and which is not contested as to its authenticity, showing that their right to enrollment was called in question in 1880, and that the matter was adjudicated and determined by the Cherokee Commission on Citizenship at that time, and that it was decided in favor of the applicant and his wife. It does not appear that the disputes specially referred to in the testimony existed at that time, but arose on or about the time of the Cherokee payment, and that what deceptions may have been committed in connection with the disputes herein specially referred to have any connection whatever with the enrollment of these two applicants in 1880; nor does it appear that ~~either~~ either of them have attempted to use the rights or claims of other people for their own advancement, but that others have called them in question in order to substitute one or more individuals for their own benefit. So far as this case has been heard no doubt is left upon the mind of the Commission that if any imposition was attempted anywhere it was upon the right of the applicant and his wife, and even is an error had been committed in their enrollment in 1880, of which there does not appear the slightest evidence, it is not believed that this Commission would be authorized to go behind it. The Act of Congress adopting that roll as a finality in determining the rights of applicants for enrollment as Cherokee citizens so long as no subse-

quent act has been framed; therefore the applicant and his wife will now be listed for enrollment, he as a Cherokee by intermarriage, and his wife as a Cherokee by blood.

In the matter of the application for the enrollment of
Eddie Johnson as a citizen of the Cherokee Nation.

ORDER OF DISMISSAL.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Eddie Johnson as a citizen of the Cherokee Nation. A copy of the testimony taken at Tahlequah, Indian Territory, on December 7th, 1900, in the matter of the application of Thomas Johnson, et al, for enrollment as Cherokee citizens, Cherokee No. 6262, has been filed herewith and made a part of this record.

It appears that Eddie Johnson is identified on the authenticated tribal roll of 1880 as a Cherokee by blood.

It further appears from the testimony of Thomas Johnson, the father of said applicant, that Eddie Johnson died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902, (Public - No. 241) and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date, shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the application for the enrollment of Eddie Johnson as a citizen of the Cherokee Nation, be, and the same is hereby, dismissed.

Section 25 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
-----Lewis as a citizen of the Cherokee Nation.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of -----
Lewis as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said -----
Lewis is identified on the Cherokee authenticated roll
of 1890 as a Cherokee by blood

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein:

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -----Lewis on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of -----Lewis as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Mary Johns as a citizen by blood of the Cherokee Nation.

--:--

DECISION.

The record in this case shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment of Mary Lucas, now Johns, as a citizen of the Cherokee Nation. Further proceedings in the matter of said application were had March 28, 1904, at Tahlequah, Indian Territory.

The evidence in this case shows that the applicant, Mary Johns, nee Lucas, is a Cherokee by blood; and is duly identified on the Cherokee authenticated tribal roll of 1880; that she was born in the Cherokee Nation about the year 1874, and continuously resided therein until the year 1894, when she removed to the state of Arkansas, where she later married one John Johns, a non-citizen of the Cherokee Nation, and continuously lived in said state for several years thereafter. About the year 1897, said applicant with her husband, removed from Arkansas to the state of Colorado, where she has since continuously lived. During said residence outside the limits of the Indian Territory, said applicant has neither owned nor controlled any property in the Cherokee Nation.

Section II, Article I, Cherokee Constitution, in part provides:

"Whenever any citizen shall remove with his effects out of the limits of this Nation, and becomes a citizen of any other government, all his rights and privileges as a citizen of this Nation shall cease;"

It is, therefore, the opinion of this Commission that the application for the enrollment of Mary Johns as a citizen (by blood) of the Cherokee Nation, should be denied, under the provisions of section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 495), and it is so ordered.

Commission to the Five Civilized Tribes,
(Cherokee Enrollment Division)

Muskogee, Indian Territory.

Gentlemen:

I have considered the application of Mary Johns, nee Lucas, for enrollment as a Cherokee citizen, said case being Cherokee D-1624. This is a close case. The decision as at present prepared and concurred in by the two other Commissioners refuses to enroll the applicant. I believe that the law and equities are in her favor. She is duly identified on the roll of 1880 and the case turns upon the question as to whether, when she married a white man under United States law and in the state of Arkansas subsequent to 1894, and her continued residence with her non-citizen husband outside of the Indian Territory since that time, she has forfeited her rights.

She clearly declares that it was never her intention to forfeit her Cherokee citizenship and rights. Her husband is a traveling man, according to the testimony, and she has recently lived in the state of Colorado because required to do so by the condition of her health. The testimony shows that

Commission--2

she has never voluntarily surrendered her property rights in the Cherokee Nation but that her guardian, apparently even after her marriage, sold her interest, without her consent, in the 200 acre farm of her deceased mother. She has never received anything on this claim and she still has a property right in the Cherokee Nation, though it be in the form of a claim for the proceeds of that farm and the personal property disposed of without her knowledge or consent. I believe that the spirit, if not the letter, of the Department's well known ruling in cases of this character and the equities in the matter entitle this woman to enrollment at this time, and I so vote.

If the other Commissioners are unable to concur in this view, I request that the case be forwarded to the Department for its final ruling in the premises.

This case was sent to me, among others, with Commission's letter of the 17th instant.

The papers in the case are herewith returned.

The Honorable,

The Secretary of the Interior.

Sir:

I enclose a report from the commission to the Five Civilized tribes dated March 27, 1905, transmitting the record of the application for enrollment as a citizen by blood of the Cherokee Nation by Mary Johns.

March 27, 1905, the Commission decided adversely to the applicant.

The record shows that the applicant is a Cherokee by blood and is duly identified on the 1880 authenticated Cherokee roll; that she was born in the Cherokee nation about the year 1874 and continuously resided therein until the year 1894 when she removed to the State of Arkansas where she later married one John Johns, a non-citizen of the Cherokee Nation, and continuously lived in that State for several years. About 1897 the applicant with her husband removed to the State of Colorado, where she has since continuously lived. During her residence outside of the Indian Territory she has not owned or controlled any property in the Cherokee Nation.

In view of the record the approval of the Commission's decision adverse to the applicant is recommended.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Elisabeth Lawrence as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902, application was received by the Commission to the Five Civilized Tribes for the enrollment of Elisabeth Lawrence as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Vinita, Indian Territory, May 25, 1905, Muskogee, Indian Territory, December 7, 1905, May 31, 1906 and June 25, 1906.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein Elisabeth Lawrence, is a white woman and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation, other than such right as she may have acquired by virtue of her marriage to John W. Lawrence, who appears upon the 1880 Cherokee roll as an adopted Shawnee; that on January 7, 1907, the Commissioner to the Five Civilized Tribes rendered his decision in the matter of the application for the enrollment of John W. Lawrence, who is listed on Cherokee Doubtful Card Field No. 1628 as a citizen of the Cherokee Nation, granting the application of the said John W. Lawrence for enrollment as a citizen of the Cherokee Nation, he being a Shawnee. Said applicant did not therefore marry a Cherokee by blood prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906, in the cases of Daniel Red Bird, et al, vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Elisabeth Lawrence, is not entitled under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are, therefore, directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

The Honorable,

The Secretary of the Interior,

Sir:

I have the honor to transmit herewith a communication from Commissioner Bixby, dated February 20, 1907, enclosing record in the matter of the application for the enrollment of Elizabeth Lawrence as a citizen by intermarriage of the Cherokee Nation including the decision of the Commission, dated February 20, 1907, denying the application.

The record shows that the applicant herein is a white woman, and possesses no right to enrollment as a citizen of the Cherokee Nation other than such as she may have acquired by virtue of her marriage to John W. Lawrence, whose name appears on the Cherokee roll of 1880 as an adopted Shawnee. The applicant, therefore, did not marry a Cherokee by blood, under Cherokee law prior to November 1, 1875, and the decision of the Commissioner, denying her application, is in accordance with the decision of the Supreme Court of the United States in the case of Daniel Red Bird et al., vs. the United States, and it is recommended that it be affirmed.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Margaret Mitchell as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Margaret**
Mitchell as a citizen of the Cherokee Nation.

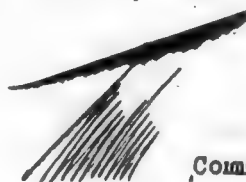

THE EVIDENCE IN THIS CASE SHOWS: That said **Margaret**
is identified on the Cherokee Census roll
of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896; not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Buskawville, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Margaret Mitchell on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Margaret Mitchell as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

It appears from the record herein that on June 30, 1902, Emmet Starr appeared before this Commission, at Muskogee, Indian Territory, and made applications for the enrollment of John Martin, Robert Lee Martin and Joseph E. Martin, as citizens by blood of the Cherokee Nation. Additional proceedings were had in the matter of said applications, at Tahlequah, Indian Territory, on August 13, 1902, and at Muskogee, Indian Territory, on January 31, 1905.

It appears from the evidence herein that all the applicants are identified upon the 1880 Authenticated Cherokee Roll, and on the margin of said roll appears a note to the effect that they are Osages. Joseph E. Martin and Robert Lee Martin are also identified upon the 1896 Cherokee Census Roll.

It further appears from the evidence herein that John Martin (as Richard Martin), Robert Lee Martin (as Lee Martin) and Joseph E. Martin (as Emory Martin) are enrolled upon the Osage tribal rolls and have selected their allotments in the Osage Nation in Oklahoma.

It is therefore the opinion of this Commission that John Martin, Robert Lee Martin and Joseph E. Martin are not entitled to share in the lands and funds of the Cherokee Nation, and that the applications for their enrollment as citizens by blood of the Cherokee Nation, should be denied, and it is so ordered.

O R D E R.

The record herein shows that on June 30, 1902 Emmet Starr appeared before the Commission, at Muskogee, Indian Territory and made application for the enrollment, as citizens by intermarriage of the Cherokee Nation, of the following names persons, whose names appear upon the Cherokee Tribal Rolls in the possession of the Commission, and for whose enrollment no previous application had been made: to-wit:

George W. Collins, William L. Morris, Martha Goody, John Thompson, Laura Thompson, Mary Ann Hood, and Margret Russell, whose names appear upon the authenticated tribal roll of 1880, and Sallie E. Jordan, Anna Miller, William H. Slack, James H. Wilkerson, Parley L. Dutcher, Thomas Gregory, Mary J. Hilderbrand, Luther Thornton, and Amos Kiper, whose names appear upon the Cherokee Census Roll of 1896.

An examination of the said Tribal Rolls shows that

all the applicants herein are intermarried white persons.

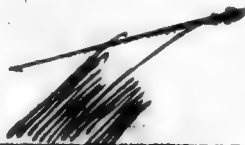

The Commission has made diligent inquiry, covering a period of about three years, to secure information relative to the status of the applicants, and, from the information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents from the Districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section twenty-five of the Act of Congress approved July 1, 1902 (32 Stat., 716) provides:

"The roll of citizens of the Cherokee Nation shall be made as of September 1, 1902, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of George W. Collins, William L. Morris, Martha Coody, John Thompson, Laura Thompson, Mary Ann Hood, Margaret Russell, Sallie K. Jordan, Anna Miller, William H. Slack, James H. Wilkerson, Parley L. Dutcher, Thomas Gregory, Mary J. Hilderbrand, Luther Thornton, and Ames Kiper as citizens by intermarriage of the Cherokee Nation be, and the same are hereby dismissed without prejudice.

In the matter of the application made for the enrollment of William L. Morris as a citizen by intermarriage of the Cherokee Nation.

T. M. Buffington, being first duly sworn, testified as follows:

BY THE COMMISSION:

- Q What is your name? A T. M. Buffington.
Q What is your age, Mr. Buffington? A 49.
Q Are you a citizen by blood of the Cherokee Nation? A I am.
Q Were you once acquainted with a man in Delaware District by the name of William L. Morris?
A Yes.
Q What was his blood? A He was a white man.
Q Was he once married to a recognized citizen by blood of the Cherokee Nation?
A Yes, sir.
Q What was her name?
A She was named Langley before she ever married at all; she was a widow when he married her - Polly Leach.
Q Is this Polly Morris, his Cherokee wife, living at the present time?
A No, she is dead; I helped to bury her.
Q Did William L. Morris have any children by his Cherokee wife, Polly?
A No.
Q Do you remember whether Polly Morris was living when the 1880 Cherokee Tribal Roll was made?
A No, I thought at first she was. I think she died in the Spring before the '80 Roll was made.
Q Is she had been living at that time, her name would have appeared on the 1880 Roll in Delaware District, would it not?
A Yes.
Q About how old would William L. Morris be at present if living?
A He would be about 76.
Q Was he in Delaware District when the 1880 Toll was made?
A It is my recollection that he was.
Q Is he the only William L. Morris you ever knew in Delaware District who was a white man?
A Yes.
Q Is this William L. Morris living at the present time?
A It is my understanding that he is dead; died in Goingsnake District. He moved out of Delaware District shortly after his wife died.
Q To the best of your information and understanding, how long has it been since William L. Morris died?
A Well, it has been, I think, 5 or 6 years ago.

William L. Morris is identified on the 1880 Cherokee

Tribal Roll, Delaware District, number 1634, as an intermarried white man, and is listed from information on Cherokee Doubtful Card 1633.

W. P. Covington, being duly sworn, states that, as stenographer to the Commission to the Five Civilized Tribes, he reported proceedings had in the above and foregoing case on the 23rd day of May 1905, and that the above and foregoing is a full and correct transcript of his said stenographic notes taken in said case.

CHARGE D 1814
DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Hollie Mc Daniel as a citizen of the Cherokee Nation.

--O--
O R D E R .
--O--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Eliet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Hollie**
Mc Daniel as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Hollie**
Mc Daniel is identified on the Cherokee authenticated roll
of 1880 as **a Cherokee by blood.**

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Tahlequah, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Mollie McDaniel on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Mollie McDaniel as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of -----Martha on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of -----Martha as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

COMMISSION OF THE FIVE CIVILIZED TRIBES
OF INDIAN TERRITORY

In the matter of the application for the enrollment of
[redacted] as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 10, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of [redacted]
[redacted] as a citizen of the Cherokee Nation.

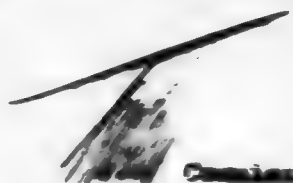

THE EVIDENCE IN THIS CASE SHOWS: That said [redacted]
[redacted] is identified on the Cherokee [redacted] roll
of [redacted] as a Cherokee by [redacted].

The application made on June 10, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1894, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
surveillance party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
diligently sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Tulsa, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 11, 1900, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to General No. 10000 in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1900, would be dismissed. No information has been obtained tendered to show the status of Edward Napoleon on September 1, 1901.

IT IS THEREFORE ORDERED: That the application for the enrollment of Edward Napoleon as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES

In the matter of the application for the enrollment of
Thomas Moon (or Moore), as a citizen of the Cherokee Nation.

O R D E R :

THE RECORDS OF THIS OFFICE SHOW: That, at Muskogee,
Indian Territory, on June 30, 1902, Emmet Starr appeared before
the Commission to the Five Civilized Tribes and made application
for the enrollment of Thomas Moon(or Moore), as a citizen of the
Cherokee Nation. Further proceedings in the matter of said ap-
plication were had at Southwest City, Missouri, on May 15, 1905.

THE EVIDENCE IN THIS CASE SHOWS: That Thomas Moon (or
Moore) is a Cherokee by blood, duly enrolled on the Cherokee au-
thenticated tribal roll of 1880, and that he resided continuously
in the Cherokee Nation from 1880 until the 1888 or 1889, when he
left said Nation and all trace of him was lost, and that his where-
abouts since said date are unknown.

An Act of Congress approved May 2, 1890 (26 Stat., 182)
put in force in the Indian Territory Chapter 59 of Mansfield's
Digest of the Statutes of Arkansas. Section 2850 of said Chap-
ter 59 provides:

"Any person absenting himself beyond the limits of
this state for five years successively shall be presumed
to be dead, in any case in which his death may come in
question, unless proof be made that he was alive within
that time".

Section twenty-five of the Act of Congress approved July 1, 1902, (32 Stat., 716), provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

IT IS THEREFORE ORDERED: That, following the ruling of the Commission to the Five Civilized Tribes in the case of Darkey Harlin, Cherokee Freedman D 1250, under the provisions of Section twenty-five of the Act of Congress approved July 1, 1902, (32 Stat., 716), the application for the enrollment of Thomas Moon (or Moore), as a citizen by blood of the Cherokee Nation should be, and the same is, hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Maud Miers as a citizen of the Cherokee Nation.

--O--
O R D E R .
--O--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Maud**
Miers as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Maud**
Miers is identified on the Cherokee **authenticated roll**
of 1890 as **A Cherokee by blood.**

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Waskom, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

-2-

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Maud Miers on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Maud Miers as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

She Hanner (Graham 3-1943) is also identified on the

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Choctaw blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 3, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

It is, therefore, ordered that the applications for the enrollment of John Gocley, Levi Hysell, J. F. Fern, David McDaniel, George Morgan, W. J. REPORT OF THE COMMISSIONER
COMMISSIONER TO THE FIVE CIVILIZED TRIBES

In the matter of the application for the enrollment of
[redacted] as a citizen of the Cherokee Nation.

--0--
ORDER.

--3--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of [redacted]
as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said [redacted]
[redacted] is identified on the Cherokee [redacted] roll
of 1896 as a [redacted] of [redacted].

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1887 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskege, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of
----Oel-scount-ny on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of ----- Oel-scount-ny as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,

whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. In the matter of the application for the enrollment of
Burns Payne as a citizen of the Cherokee Nation.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, **Emmet Starr** appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **Burns Payne** as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Burns Payne** is identified on the Cherokee undistributed roll of 1890 as a citizen of the Cherokee Nation by intermarriage.

The application made on June 30, 1902, in behalf of the above named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of **Harman Payne** on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of **Harman Payne** as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Washoe, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Annie Ridge on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Annie Ridge as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application made for the enrollment of Antoine Rodman as a citizen of the Cherokee Nation.

D E C I S I O N .

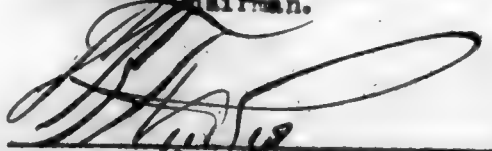

The record in this case shows that on June 30, 1902 Emmet Starr appeared before the Commission, at Muskogee, Indian Territory, and made application for the enrollment, as a citizen of the Cherokee Nation, of Antoine Rodman, who was duly identified upon the 1880 Cherokee Tribal Roll, Delaware District. Further proceedings were had, in the matter of this application, at Vinita, Indian Territory on May 26, 1903.

The record in this case further shows that while the name of Antoine Rodman appears upon the 1880 Cherokee Tribal Roll, he has lived almost all of his life in the Osage Nation; that his residence in said Nation has been continuous since 1883 or 4; that his mother, through whom he would have derived his rights as a Cherokee, solely, possessed both Osage and Cherokee blood; and that, under the name of Antwine Rodman, he has been enrolled in, and selected an allotment of land as a citizen of, the Osage Nation.

It is, therefore, the opinion of this Commission that, following the ruling of the Department in the case of Nancy Sky et al., (I.T.D. 4991-1902), the application made for the enrollment of Antoine Rodman, as a citizen of the Cherokee Nation, should be denied, in accordance with the provisions of section twenty-one of the act of Congress approved June 28, 1898 (30 Stat., 495), and it is so ordered.

Sir:-

On June 30, 1905, the Commission to the Five Civilized Tribes transmitted the record in the matter of the application for the enrollment of Antoine Rodman, as a citizen of the Cherokee Nation, including its decision of same date rejecting said application. The applicant's name appears on the 1880 Cherokee roll.

The record shows, however, that he removed to the Osage Nation. While the exact date of his removal is not stated it is clear that he removed soon after the year 1880, and has since continuously resided in the Osage Nation. He has taken an allotment in the Osage Nation. The Commission to the Five Civilized Tribes decided that following the ruling of the Department in the case of Nancy Sky, et al., I.T.D. 4991-1902, the application should be denied, in accordance with the provisions of section 21 of the act of Congress, approved June 28, 1898, 30 Stats. 495.

Reporting July 15, 1905, the Indian Office recommended that the Commission's decision be approved.

In the matter of the application for the enrollment of
Jinanna Ross as a citizen of the Cherokee Nation.

--O--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of **Jinanna Ross** as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Jinanna Ross** is identified on the Cherokee ~~enrollment~~ roll of 1880 as **a Cherokee by blood**.

The application made on June 30, 1902, in behalf of the above-named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made, the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Jinanna Ross on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of Jinanna Ross as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Joseph**
Rogers as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Joseph**
Rogers is identified on the Cherokee **authentic roll**
of 1890 as **a Cherokee by blood.**

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Baskin, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Joseph Rogers on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Joseph Rogers as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

REPORT OF THE COMMISSIONER,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Sauls L. Thompson as a citizen of the Cherokee Nation.

ORDER.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Ernest Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Sauls L. Thompson as a citizen of the Cherokee Nation.

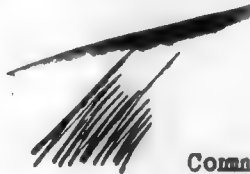

THE EVIDENCE IN THIS CASE SHOWS: That said Sauls L. Thompson is identified on the Cherokee authentic roll of 1896 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above-named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrollment party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land Office opened on January 1, 1903, at Vinita, and afterwards removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Sadie L. Thompson on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Sadie L. Thompson as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

The application made on June 30, 1902, in behalf of the above-named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee Land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Betsy Tap on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Betsy Tap as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Eliet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Joseph
Whipper** as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Joseph
Whipper** is identified on the Cherokee ~~authenticated~~ roll
of ~~1880~~ as **a Cherokee by blood.**

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commissioner to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been requested for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Joseph Whipper on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Joseph Whipper as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
WARREN WILLIAMS as a citizen by intermarriage of the Cherokee
Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Muskogee, Indian Territory, June 30, 1902 application was received by the Commission to the Five Civilized Tribes for the enrollment of Warren Williams as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, August 13, 1902 and at Muskogee, Indian Territory January 5, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Warren Williams, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as he may have acquired by virtue of his marriage on October 12, 1873 to one Mary Williams, nee Daugherty, since deceased; that said Mary Williams, nee Daugherty, who is identified on the Shawnee Register, Page 39, No. 258, was a member of the Shawnee Tribe of Indians and acquired her right to enrollment as a citizen of the Cherokee Nation by virtue of her compliance with the provisions of the agreement entered into by the Cherokee and Shawnee Tribes of Indians June 7, 1869. It is further shown that from the time of said marriage until the death of said Mary Williams, which occurred on June 27, 1890, the said Warren Williams and Mary Williams resided together as husband and wife and continuously lived in the Cherokee Nation. It is also shown that on February 17, 1889 the said Warren Williams was married to one Ella Williams, nee Foreman, a non-citizen of the Cherokee Nation; that from the time of said marriage the said Warren Williams and Ella Williams resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902.

In view of the foregoing it is considered that said applicant acquired no right to enrollment as a citizen by intermarriage of the Cherokee Nation, by reason of his marriage to the said Mary Williams, nee Daugherty, October 12, 1873, who was not a citizen of the Cherokee Nation of Cherokee blood.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Warren Williams is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898 (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly denied.

Sir:

There is forwarded herewith report of Commissioner Bixby, dated February 20, 1907, relative to the application for the enrollment of Warren Williams as a citizen by intermarriage of the Cherokee Nation, together with decision of the Commissioner, dated February 20, 1907, refusing the application.

The applicant herein claims his right to enrollment as a citizen by intermarriage of the Cherokee Nation by reason of his marriage to Mary Williams (nee Daugherty) on October 12, 1873.

ORDER.

--3--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Dick**
Washington as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Dick**
Washington is identified on the Cherokee authenticated roll
of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Dick Washing-boy on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Dick Washing-boy as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

In the matter of the application made for the enrollment of Nancy Warcola as a citizen of the Cherokee Nation.

Claud L. Washburn, being first duly sworn, testified as follows:

BY THE COMMISSION:

- Q What is your name? A Claud L. Washburn.
Q What is your age, Mr. Washburn? A 47.
Q What is your post office address? A Southwest City, Mo.
Q Are you a citizen by blood of the Cherokee Nation? A Yes.
Q Mr. Washburn, are you acquainted with a woman by the name of Nancy Warcola in Delaware District, Cherokee Nation?
A Well, I will simply say that I know a girl by the name of Nancy Davis or Nancy Eucua.
Q What is her Cherokee name?
A Well, they just call her Nance.
Q Nancy what?
A It would be Nancy Davis or Nancy Eucua.
Q Can you explain why you think she is the Nancy Warcola here?
A The reason I do that is because that's a kind of family name with her people, and I am under the impression she has been called that herself. It is a family name with them, and for that reason I believe and am under the impression I have heard her called that.
Q What does "Warcola" mean, is it a Cherokee name?
A Yes, it means Whip-poor-will.
Q Has this girl ever been known by the name of Nancy Whippoorwill?
A Yes, it strikes me she has.
Q She also goes by the name of Nancy Davis and Nancy Eucua?
A Yes, and she has another name.
Q About how old is the Nancy to whom you refer?
A I judge her to be about 26 years old.
Q Do you know the name of her father?
A No.
Q Do you know the name of her mother?
A No.
Q Is she living at the present time?
A Yes.
Q Do you know whether or not she has been finally enrolled as a citizen of the Cherokee Nation?
A I feel pretty certain she has.
Q Would it likely be under the name of Nancy Davis or Nancy Eucua?
A She might possibly be enrolled as Nancy Lewis.

Nancy Warcola is identified on the 1880 Cherokee Tribal Roll number 3097, and is listed from information on Cherokee Doubtful Card number 1691.

W. P. Covington, being duly sworn, states that, as

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902, Emmet Starr appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said Nancy Warcola is identified on the Cherokee authenticated roll of 1880 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the above-named applicant, included all persons whose names were found upon the Cherokee rolls of 1880 and 1896, not theretofore accounted for. Since these applications were made the Commission, and the Commissioner, to the Five Civilized Tribes, have diligently sought information that would enable them to identify the persons whose names are included therein.

During the months of August, September and October, 1902, the Commission to the Five Civilized Tribes maintained an office at Tahlequah, the Capital of the Cherokee Nation, during which time the National Council of said Nation was in session, each and every member of which, upon request, appeared before said office and gave such information as he possessed relative to the identity of the persons whose names are included in said applications; a special enrolling party, traveling overland, has covered the Cherokee Nation seeking information as to these persons; at the Cherokee land office opened on January 1, 1903, at Vinita, and afterward removed to Tahlequah, Indian Territory, such information has been constantly sought; and since the filing of said applications the General Office of the Commission and the Commissioner, located at Muskogee, Indian Territory, has used all available means to secure evidence as to whether or not the persons whose names are included in said applications were living on September 1, 1902, and if so, whether or not they were entitled to Cherokee citizenship on that date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nancy Warcola on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nancy Warcola as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Akie Beamer (Cherokee, 3-2943) is also identified on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Cherokee blood.

The Commission has made diligent inquiry, covering a period of nearly two years, to secure information relative to the status of the applicants, and, from information obtained by the various field parties of the Commission, and received from citizens appearing at the Cherokee Land Office, principally from old residents of the respective districts in which the applicants were enrolled, it finds that all of such applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes".

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Sammy Starr
as a citizen of the Cherokee Nation.

O R D E R .

--3--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Sammy Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of
Starry
as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said
Starry
is identified on the Cherokee authenticated roll
of 1890 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Jenny Adair on September 1, 1903.

IT IS THEREFORE ORDERED: That the application for the enrollment of Jenny Adair as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

Henry Adair,

Newata, Indian Territory.

Dear Sir:

Application has been made to this Commission for enrollment as a Cherokee citizen of one Jenny Adair, about forty-six years old, whose name appears on the Cherokee tribal roll of 1880 in Flint district.

The Commission has information that you know something concerning the said Jenny Adair, and if so, will you please advise the Commission what you know concerning her, giving her present name and post office address, if you can, so that proper steps may be taken to ascertain her right to enrollment.

Respectfully,

Commissioner in Charge

An examination of the said tribal rolls shows that all the applicants are of Indian nationality, of either Cherokee or Shawnee blood.

Section 25 of the Act of Congress approved July 1, 1902 (Public - No. 241), and duly ratified, as provided in Section 75 thereof, provides:

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Samuel Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of John
Bill as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said John
Bill is identified on the Cherokee undistributed roll
of 1890 as a Cherokee by blood.

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1867 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commissioner to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrollment party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Lusk, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 21, 1902, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1902, would be dismissed. No information has been obtained tending to show the status of John Bill on September 1, 1902.

IT IS THEREFORE ORDERED: That the application for the enrollment of John Bill as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

--O--

ORDER.

--O--

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Annie**
Cookrum as a citizen of the Cherokee Nation.

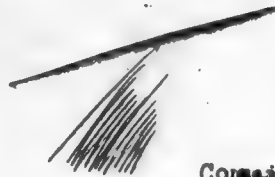

THE EVIDENCE IN THIS CASE SHOWS: That said **Annie**
Cookrum is identified on the Cherokee **authenticated** roll
of 1880 as **a Cherokee by blood**

The application made on June 30, 1902, in behalf of the
above-named applicant, included all persons whose names were found
upon the Cherokee rolls of 1860 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Muskogee, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Annie Cockrum on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Annie Cockrum as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

ORDER OF DISMISSAL.

The record herein shows that on June 30, 1902, Emmet Starr appeared before the Commission at Muskogee, Indian Territory, and made application for the enrollment, as citizens of the Cherokee Nation, of the following named persons whose names appear on the Cherokee tribal rolls in the possession of the Commission and for whose enrollment no previous application had been made, to-wit: W. L. Chaney, Sarah Norton, Henry Doublehead, Katie Tauluner, Nellie Brewer, Kayo-he Guess, Jinney Tucker and Mariah Tucker, whose names appear on the authenticated tribal roll of 1880, and Henry J. Scruggs, whose name appears on the Cherokee census roll of 1896.

An examination of the said tribal rolls shows that all the applicants herein are of Cherokee blood.

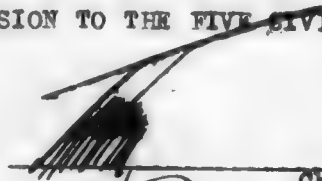

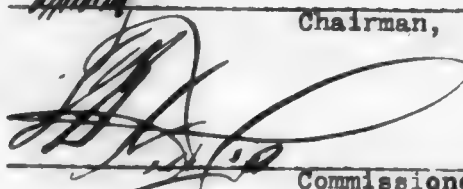

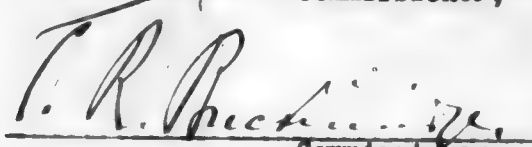

From affidavits of death filed with the Commission, and which are made a part of this record, it appears that all the above named applicants died prior to September 1, 1902.

Section 25 of the Act of Congress approved July 1, 1902, (Public- No. 241), and duly ratified, as provided in Section 75 thereof, provides:

"The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes."

It is, therefore, ordered that the applications for the enrollment of W. L. Chaney, Sarah Norton, Henry Doublehead, Katie Tauluner, Nellie Brewer, Kayo-he Guess, Jinney Tucker, Mariah Tucker and Henry J. Scruggs as citizens of the Cherokee Nation be, and the same are hereby, dismissed.

Gentlemen:

Receipt is hereby acknowledged of the Commission's letter of March 10, asking to be advised if Polly Yahola, aged 67, and her son, Sam Poleppa, aged 25, are applicants for enrollment by this Commission as citizens of the Cherokee Nation. It is stated that on March 24, 1903, Polly Yahola made application to the Commission for the enrollment of herself and Sam Poleppa as Creeks.

In reply I have the honor to state that there is identified as an applicant for enrollment as a citizen of the Cherokee Nation one Polly Yaholah, aged 40, the wife of Johnson Yaholah, who gives her post office as Braggs, Indian Territory. Sam Poleppa can not be identified upon any of the records in the possession of this office.

A copy of the testimony in the matter of the application for the enrollment of Polly Yaholah was forwarded to the Commission on January 30, 1903, to be filed by the Creek Enrollment Division, in connection with an application made by Johnson Yaholah for enrollment as a citizen of that Nation. From this testimony it should

be possible to determine if the Polly Yahola inquired about in the Commission's letter of March 30, is the same person as Polly Yaholah, the wife of Johnson Yaholah, an applicant for enrollment as a citizen of the Cherokee Nation, and listed upon Cherokee card No. 8949.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Elsie**
Cockrum as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Elsie**
Cockrum is identified on the Cherokee authenticated roll
of 1896 as **a Cherokee by blood**

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
Land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Baskin, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Elsie Cockrum on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Elsie Cockrum as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

ACTING

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950, and the majority of this increase has been in urban areas. This has led to a concentration of population in a few large cities, which has in turn led to a number of social and economic problems. One of the main problems is the problem of housing. The demand for housing in urban areas has increased enormously, and this has led to a shortage of housing and a rise in the cost of housing. Another problem is the problem of transportation. The concentration of population in urban areas has led to a need for mass transportation, and this has led to a number of problems, such as traffic congestion and air pollution. These are just two of the problems that have arisen as a result of urbanization, and they are just two of the reasons why it is important to study the process of urbanization and to find ways of dealing with the problems that it creates.

Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Tuskahoma, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Nelson Christie on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Nelson Christie as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.

Commissioner.

THE RECORDS OF THIS OFFICE SHOW: That on June 30, 1902,
Emmet Starr appeared before the Commission to the Five Civilized
Tribes and made application for the enrollment of **Wattie**
Clemens as a citizen of the Cherokee Nation.

THE EVIDENCE IN THIS CASE SHOWS: That said **Wattie**
Clemens is identified on the Cherokee authenticated roll
of 1880 as **a Cherokee by blood.**

The application made on June 30, 1902, in behalf of the
above named applicant, included all persons whose names were found
upon the Cherokee rolls of 1880 and 1896, not theretofore accounted
for. Since these applications were made the Commission, and the
Commissioner, to the Five Civilized Tribes, have diligently sought
information that would enable them to identify the persons whose
names are included therein.

During the months of August, September and October, 1902,
the Commission to the Five Civilized Tribes maintained an office at
Tahlequah, the Capital of the Cherokee Nation, during which time
the National Council of said Nation was in session, each and every
member of which, upon request, appeared before said office and gave
such information as he possessed relative to the identity of the
persons whose names are included in said applications; a special
enrolling party, traveling overland, has covered the Cherokee
Nation seeking information as to these persons; at the Cherokee
land office opened on January 1, 1903, at Vinita, and afterward
removed to Tahlequah, Indian Territory, such information has been
constantly sought; and since the filing of said applications the
General Office of the Commission and the Commissioner, located at
Suskogaw, Indian Territory, has used all available means to secure
evidence as to whether or not the persons whose names are included
in said applications were living on September 1, 1902, and if so,
whether or not they were entitled to Cherokee citizenship on that
date.

On July 31, 1905, a published list containing the names of all persons included in these applications, who had not theretofore been accounted for, was issued in the form of a supplement to several newspapers in general circulation in the Cherokee and Creek Nations, and notice was given that the applications for the enrollment of the persons named in said list concerning whom no information could be secured prior to December 1, 1905, would be dismissed. No information has been obtained tending to show the status of Wuttie Clemons on September 1, 1905.

IT IS THEREFORE ORDERED: That the application for the enrollment of Wuttie Clemons as a citizen of the Cherokee Nation be, and the same is, hereby dismissed, without prejudice.
